### INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Management and Resources Development Initiative (MRDI)

### Report on the Audit of the Financial Statements

### Opinion

We have audited the consolidated financial statements of Management and Resources Development Initiative (MRDI), (the "Company") which comprise the consolidated statement of financial position—balance sheet as at 30 June 2020, and the consolidated statement of comprehensive income-income and expenditure account and consolidated statement of receipts and payments for the year from 01 July 2019 to 30 June 2020, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the Company as at 30 June 2020, and its financial performance and its consolidated statement of receipts and payments for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of the financial statements that give a true and fair view in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Company's financial reporting process.

### Deloitte.

### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
  or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
  is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omission, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
  disclosures, and whether the financial statements represent the underlying transactions and events in
  a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Deloitte.

### Report on other Legal and Regulatory Requirements

In accordance with the Companies Act 1994, we also report the following:

- we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- b. in our opinion, proper books of account as required by law have been kept by the project so far as it appeared from our examination of those books; and
- c. the financial statements dealt with by the report are in agreement with the books of account.

### 2.3 Basis of accounting

The consolidated financial statements have been prepared applying accrual basis of accounting on going concern basis.

### 2.4 Property, plant and equipment

The cost of an item of property, plant and equipment is recognized as an asset if, it is probable that the future economic benefits associated with the item will flow to the organization and the cost of item can be measured reliably. Property, plant and equipment are stated at cost and accumulated depreciation is shown separately. Cost represents the cost of acquisition, purchase price and other directly attributable cost of bringing the assets to working conditions for its intended use.

### 2.5 Depreciation

Depreciation is charged on property, plant and equipment using straight line method. If assets are acquired during the first half of the year then full year depreciation is charged on assets. No depreciation is charged if the assets are acquired during the second half of the year and also in the year of disposal. Depreciation is charged at the following rates:

| Property, plant and equipment  | Rate |
|--------------------------------|------|
| Furniture and fixtures         | 20%  |
| Computer, printer & multimedia | 33%  |
| Office equipment               | 30%  |
| Vehicle                        | 25%  |
| Other assets >                 | 20%  |

### 2.6 Related party transaction

As per IAS 24 "Related Party Disclosures", a related party is a person or entity that is related to the entity that is preparing its financial statements. Related party transaction is a transfer of resources, services, or obligations between a reporting entity and a related party, regardless of whether a price is charged as per IAS 24. In case of MRDI, related parties include the directors, key management personnel, associates, companies under common directorship etc. as per IAS 24 "Related Party Disclosures". All transactions involving related parties arising in the normal course of business are conducted at arm's length at normal commercial rates on the same terms and conditions as third party transactions using valuation modes as admissible.

### 2.7 Cash and cash equivalents

Cash and cash equivalents for the purpose of the receipts and payments comprise of cash and bank balance. Cash and bank balance includes donations received through donor grants which are available for the use of organization without restrictions.

### 2.8 Investment

Investments are accounted for at cost. No provisions were made in respect of impairment of such Investment. Interest earned on investment in Fixed Deposit Receipts (FDR) before maturity date is recognized as income on accrual basis. When FDR reached in maturity date, Investment in FDRs debited and receivable interest is credited. Details are given in Annex-C.

### 2.9 Taxation

In accordance with the provisions of Income Tax Ordinance 1984, all NGOs working in Bangladesh are assessable entities and submission of Income Tax return is mandatory whether the income of any NGO for any year is taxable or not is decided only after regular assessment to be made by the assessing authority. MRDI considers itself an association of persons and submits its income tax return under section-82BB of Income Tax Ordinance 1984.

### 2.10 Provision for liabilities

Provision and accrued expenses are recognized in the consolidated financial statements when the organization has a present obligation resulting from past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount can be made.

### 2.11 Foreign currency transactions

MRDI maintains its books of account in Bangladeshi Taka. Transactions in foreign currencies are accounted for in Bangladeshi Taka at the rate of exchange ruling on the date of transactions.

### 2.12 Grant income

International Accounting Standard IAS-20 "Accounting for Government Grants and Disclosure of Government Assistance" has been followed for recognizing the grant income. As per IAS-20 grant received is initially recorded as liability. Grant amount used for project expenses has been recognized as income to the extent of expenses incurred.

### 2.13 Capital fund

Management and Resources Development Initiative (MRDI) is registered with the office of the Registrar of Joint Stock Companies and Firms, Government of the People's Republic of Bangladesh under Section 28 of the Companies Act 1994 as a company limited by guarantee and without capital. MRDI receives grants/donation from national and international funding agencies based on agreement signed between them. The capital fund represents excess of income over expenditures.

### 2.14 Gaon Swapna fund

MRDI has created this fund from the completed projects "Livelihood Programme for Women" implemented for the poor and marginalized women in Basatpur, Jessore and Bonlaodob, Kailashgonj & Dhangmari in the Sundarbans. This fund is meant for the capacity building of the beneficiaries of the projects for betterment of their life and livelihoods. The beneficiaries of the four areas formed four Samities under District Women and Children Affairs Office under the Ministry of Women and Children Affairs. Through Gaon Swapna, MRDI is aiming to showcase and sell the hand made products of the Samities to the people living at urban area and abroad. The objective of Gaon Swapna fund is to generate income for the disadvantaged women under a common brand. The fund is operated following the policy of MRDI. To ensure the transparency of the fund operation, a separate set of books of account along with a separate bank account have been maintained.

### 2.15 Consolidation

MRDI's consolidated financial statements have been prepared based on the following principles:

- a) Total project cost has been segregated considering the nature of expenditure and booked under the related head of consolidated financial statements.
- b) Mutual debts has been adjusted during the consolidation.
- c) Balance of fund against unimplemented activities has been shown under unutilized fund.

### 2.16 Adoption of new and revised Standards

In the current year, the Company has applied IFRS 16 Leases that is effective for annual periods that begin on or after 1 January 2019.

### IFRS 16 Leases

IFRS 16 introduces new requirements with respect to lease accounting. It introduces significant changes to lessee accounting by removing the distinction between operating and finance lease and requiring the recognition of a right-of-use asset and a lease liability at commencement for all leases, except for short-term leases and leases of low value assets when such recognition exemptions are adopted. In contrast to lessee accounting, the requirements for lessor accounting have remained largely unchanged. Details of these new requirements and impact of the adoption of IFRS 16 on the Company's financial statements are described below.

The date of initial application of IFRS 16 for the Company is from 1 July 2019.

The Company has applied IFRS 16 on its lease agreement of office rent for corporate rental portion. It does not include the rent charged for the project accounting. The Company utilized the option to measure the right-of-use asset at an amount equal to the lease liability in accordance with IFRS 16.

Applying IFRS 16, the Company:

- Recognises right-of-use assets and lease liabilities in the statement of financial postion, initially measured at the present value of the future lease payments;
- b) Recognises depreciation of right-of-use assets and interest on lease liabilities in the statement of income and expenses.

The Company has used the following practical expedients when applying the IFRS-16:

- The Company has applied a single discount rate
- The Company has elected not to recognize right-of-use assets and lease liabilities to leases for the portion of the rent charged in the project accounts.
- The Company has excluded initial direct costs from the measurement of the right-of-use asset at the date of initial application.
- The Company has analysed the situation of the lease term when the contract contains options to extend or terminate the lease.

### 2.17 Reporting year

The consolidated financial statements of MRDI cover 12 months starting from 01 July 2019 to 30 June 2020 consistently.

### 2.18 General

- The figures in the consolidated financial statements have been rounded off to the nearest Taka (BDT) whenever necessary.
- ii. Previous year figures have been rearranged wherever considered necessary to conform to the current year's presentation.

Under the project "Improving Qualitative Journalism in Bangladesh" Phase II, five staffs were preparing for an International travel to visit Sweden for participating a planning meeting with Fojo Media Institute. But due to Covid-19 pandemic the travel had to hold up temporarily and was waiting for the improvement of the situation. The staff per diem, local travel in abroad and Airfare for the visit treated as deferred expenditure until the visit postponed finally.

<sup>\*</sup> BDT 303,472 of MJF PCAL project was included in previous year core account as "Capital fund" instead of "Project fixed assets fund". This year we have corrected this error by transferring BDT 303,472 from "Capital fund" to "Project fixed asset fund" in the previous year presentation. (Ref. Note # 14)
